Nature of Noncompliance

On December 13, 2011, in Wichita Falls, Texas, Mr. Campbell violated these conditions of probation when he consumed alcohol, as evidenced by his arrest for Driving While Intoxicated (DWI), in violation of Texas Penal Code § 49.04, a Class A misdemeanor.

On December 13, 2011, Wichita Falls police officers were dispatched to the intersection of Avenue A and Monroe Street, in Wichita Falls, Texas, in reference to a person who was reportedly passed out, in a vehicle, in the middle of the street. Upon arrival, officers made contact with the defendant, Matthew Campbell, sitting asleep behind the wheel of his pickup truck, with the motor running, and his foot on the brake. Officers were able to wake Mr. Campbell from his sleep, and questioned him. They learned that he was confused as to his whereabouts and appeared to be under the influence of alcohol. After failing a series of field sobriety tests, Mr. Campbell was placed under arrest for DWI and was transported to the Wichita County jail, without incident. Upon arrival at the jail, Mr. Campbell refused to take an intoxilyzer test or perform additional field sobriety tests.

On December 15, 2011, Mr. Campbell was released from jail on bond. The charge remains pending in the Wichita County Court.
